BEFORE YOU COMPLAIN, HAVE YOU VOLUNTEERED YET?

It has come to the attention of the Dogs NT Council, that some of our volunteers have been victims of verbal abuse, and bullying, and have been maligned, insulted & generally disrespected by some attending sanctioned and/or approved DogsNT exhibitions & events. This is unacceptable, and of concern, and **MUST** stop – there may be consequences for offenders should this despicable behaviour continue.

REMEMBER – just like the RASNT volunteers pictured above, **ALL** our Dogs NT Councillors, Subcommittee Members, Affiliate Committee Members, Instructors, Stewards, grounds workforce, sponsors and all the fabulous movers and shakers behind the scenes (unseen and often forgotten), and so many more, have donated their valuable time, experience, prizes, money and passion. Competing and/or attending training is, above all, a celebration of our love for dogs and everyone who volunteers, deserves to be treated politely, with tolerance and respect.

So next time you are out training, or competing, take a moment to thank & appreciate the volunteers. Why not get in there yourself? Don't complain things are behind time, are run to your liking, or you are tired of waiting. Help pack up equipment, clean up, empty the bins, or offer to clean the ablution blocks. You don't need dog-specific experience – just a desire to help and you never know, you will gain friends & maybe come understand just how much DogsNT is run on the goodwill of our exceptional volunteer workforce. Many hands make light work after all!

- ✚ Participate in the spirit of the hobby.
- ✚ Act within the Dogs NT & Dogs Australia rules, regulations & Constitutions.
- ✚ Respect the rights & worth of every person present: regardless of age, race, gender, ability, cultural background, sexuality or religion.
- ✚ Always show appreciation & good sportsmanship.
- ✚ Show integrity, good manners, respect, tolerance & courtesy to all involved.
- ✚ Respect the decisions of all officials & trainers.
- ✚ Display appropriate & responsible behaviour in all interactions.

DOGS NT PRESIDENTS REPORT

DOGS NT: PRESIDENTS REPORT OCTOBER/NOVEMBER 2024

Hi Members,

Well, the 'build-up' is upon us in the Top End, and it won't be long until the desert sun is causing the temperatures in the Red Centre to heat up. Summer is coming! With that in mind, remember your dog's welfare, and don't forget to pay attention to the ground temperatures regarding their feet. Heed the advice below regarding the emergency that is heat stroke in dogs and contact your Veterinarian IMMEDIATELY should your 'best mate' show any signs of overheating.

As always, the Council has been kept busy with maintenance, implementing and attending to many things, including, (but not limited to);

- ✚ The internal amenity block door locks are all fixed! Dogs NT apologise to anyone affected by this issue – unfortunately, COVID & bushfire duties left me very time-poor, but all sorted now! Yay! The contractor has finally reinstalled the external door handles as well! Please understand, that many of the issues being dealt with are inherited and/or are ongoing, but I am pleased to report, the 'loo saga' is done & dusted!
- ✚ We have formed a new Conformation Ring Stewards Course subcommittee! Please see the notice further in this issue if you are interested in volunteering and training as a Ring Steward.
- ✚ Ongoing - collating the cost of power and water (we are planning on further bringing down costs for affiliates).

Yes, it's that time of the year again – Dogs NT 2025 Membership is now due! Memberships are payable from the 1st of September every year but must be renewed before the 1st of January 2025. It is easy to renew, and details on how to do this, and the options available to pay are included in the TDW. Just flick down and you can find this on the next page.

Don't forget, if any members have ideas or suggestions, please email them to the office, and I will be sure to get back to you for a chat.

Cheers,

John Wheeler | DogsNT President

DOGS NT HEAT STROKE IN DOGS**DOGS NT: HEAT STROKE IN DOGS CAN BE FATAL!**

Summer is coming! As the Red Centre & the Top End start to warm up, keeping an eye on our dogs is important!

**☺ As it heats up out there remember:**

- 🐾 Walk them during the cooler times of the day, usually before 8:00 am in the mornings & after 5:30 pm.
- 🚶 Always walk them at their own pace & allow them to have a break on the grass if needed.
- 🐾 Watch their paws on hot melting pathways. Walk on the grass when possible.
- 🏀 Playing with them should take place in the early mornings or late afternoon, in a shady area, with cool grass to lay on & fresh water available.
- 🚲 Do not bike ride with your dog attached to a lead, most dogs will keep going even if it is too much for them.
- 🕒 Short walks with lots of stops to let them sniff around & mark their territory are sometimes more stimulating & enriching for a dog. Much safer than a long walk fast or a full-on ball-chasing session!
- 🐾 Brachycephalic breeds (pugs, bulldogs, cavaliers etc), will have a harder time cooling themselves down through panting, so be extra cautious if you own a breed like this.

⚠️ SIGNS OF HEAT STRESS

💀 Heat stress can have damaging & long-term effects on dogs, which are sometimes irreversible & often life-threatening, resulting in death.

⚠️ HEAT STROKE IN DOGS IS AN EMERGENCY SITUATION!

🆘 If any of these signs below happen, please contact your local vet **IMMEDIATELY!**
